

## How to Use:

- ✓ Provide student with the following activity by uploading it to your online therapy classroom or printing it out.
- ✓ For each page, have the student describe the Fall themed picture either dictating the response to you or typing the descriptive words and sentences themselves. Type 1 response per space for a total of 5 descriptions per page.
- ✓ Some areas to state information for are: category, function, appearance, material, parts, location, etc.
